

KAMO HIGH SCHOOL

BELLS 2010

Emergency bells:

FIRE: There are two signals, but only ONE response.

Signal 1: One continuous siren with intermittent voice message (activated by broken call point or new system smoke alarm),

Signal 2: One continuously wailing siren (old system smoke alarm)

Action: Go immediately to your Whanau assembly area out on the fields.

FLOOD or CIVIL EMERGENCY:

Signal: Intermittent bells (same bell as period change bell) will ring for a period of approx 90 seconds, your response depends on where you are:

Action 1) If you are in class, staff and students must stay there until you are directed elsewhere or released. Staff NOT with students go to the Hall.

Action 2) If you are NOT in class, go directly to your Whanau room (unless directed elsewhere) and stay there until released. Non-Whanau teachers go to the Hall.

Note: In both cases, remain in your room until you receive information from Senior Management as to your next move. This will come via a staff member, do not respond to hear-say.

Period change bells:

Before school students may hand valuables in to the Properties Room, get uniform and leave passes from the Deans' Centre, buy stationery from the shop, and pay trip money and fees.

Days 1, 3, 5, 7:

Move off to class 8.50am.
